# KEERTHIVASAN BP

## SOFTWARE ENGINEER

## PROFILE

Hello there! I'm Keerthivasan BP, a passionate college student on a journey to become a software engineer. Currently pursuing B.E Computer Science Engineering at Sri Krishna College of Technology, I thrive on the challenges and creativity that the world of programming offers. I am deeply fascinated by the ever-evolving landscape of technology. My goal is to leverage my education and skills to contribute meaningfully to the world of software development. In this fast-paced field, I believe in the importance of continuous learning.
